## **Where to find us**

All monthly meetings are held on the second Thursday in the month from 2pm-4pm at Holy Trinity Catholic Church, Boundary Road, Newark, NG24 4AU. Parking is extremely limited at the Church during school hours so we recommend that you park at Sconce Hills park (a little further down Boundary Road) and walk back.

## **Music Appreciation**

The group started its sixth season with a programme full of melodies from her favourite concertos, presented by Val. On October 9th, Joan is presenting a programme of music with the intriguing title, "I'm Going to Tell You a Story". Perhaps you would like to come along and have an afternoon of happy listening. We meet at Hawtonville Methodist Church on Eton Avenue from 2 to 4pm. Refreshments are provided.

We are also organising three visits to the Royal Concert Hall this season. The first, on October 17th has the Halle orchestra playing a programme which includes the popular, 'Pictures at an Exhibition'. We have just two tickets left. Please contact Tony on 659239 if you are interested.

Our sales of CDs have now reached £200, which will be donated to Beaumont House.

## **Forthcoming Speakers**

**October 2017:** David Bell 'The Plague Doctor' The story of Eyam. (Recommended)

**November 2017:** 'Owlin' Mad with Annette MacKenzie talking about and bringing some British owls. (Recommended)

**December 2017:** Christmas members' showcase

**Update** - Those of us who attended the September meeting were in awe of Chris Vasper and his participation in the Marathon des Sables. He later rang Anne to ask that she pass on his thanks for all the donations to 'Walking with the Wounded', which amounted to £165, plus his fee for the talk. What an incredibly brave, inspirational man!

## **Armchair Travel ~ Monday 30<sup>th</sup> October**

### **Part 1 – Lima (Peru) + ‘Paititi’ the Lost City of Gold**

An archaeologists’ and geologists’ exploration of the greatest miracle of an engineering accomplishment. Josh Gates and his party trek the Inca trail, ascending 20,000 ft. into the Peruvian Amazon in search of the undiscovered ‘Paititi’ City of Gold. His road to riches takes a detour to Machu Picchu on the luxurious Hiram Bingham train. Film: 40mins. (Refreshments).

**Part 2 – MACHU PICCHU** – An amazing ‘Strip the City’ film using scanning technology. Tucked away in the rocky country-side northwest of Cuzco (Peru), Machu Picchu is believed to have been a royal estate or sacred religious site for Inca leaders, whose civilization was virtually wiped out by Spanish invaders in the 16<sup>th</sup> century. Today, hundreds of thousands of people tramp through Machu Picchu every year, braving crowds and landslides to see the sun set over its towering stone monuments and marvel at the mysterious splendour of one of the world’s most famous manmade wonders. Film: 50mins.

All new members welcome. Free parking at Hawtonville Methodist Church Hall. 1:45 for 2:00 ~ till 4:00pm. For further information contact June Halford ~ Group Leader. New programs available

Thursday September 21st

We had a talk by Paul Ellis who explained the difference between a stone mason and a stone carver. Paul has both sets of skills and works at Lincoln Cathedral. He explained that restoration work was always slightly different than the original so that people could tell that the recent work had been done.

The title of his talk was 'The best job in the world'. His work in and out of the cathedral showed us just how good he is at that job. He told us the history and stories of the people and objects he has been involved with, so very interesting, Thanks must go to Peter for finding yet another fascinating topic. Val

*(the following images and those on the next page are reproduced by courtesy of Lincoln Cathedral)*

The original rose window needed to be completely replaced

Paul carved the front and back of a ferret to be seen from the outside and inside of the window.

This crown was carved for the Queen's Jubilee. Paul got special permission to paint it.. It is the only painted carving inside the cathedral.

When restoring some of the gargoyles, Paul used many of his workmates as inspiration

A guided beehive on the outside of the cathedral was sponsored by a local beekeeper

Paul's interpretation of 'Greed' was used by the BBC to introduce one of their drama productions
