

March 2018

**Dear Members,**

Your views, thoughts and recommendations are urgently needed!!

Our membership has grown to over 450 this year – Fantastic – but this means not enough of us can get into the hall for the monthly meetings.

140 people came to the February Meeting and some could not get a seat.

The Committee Members have wondered if we should:

1. Keep the venue at Holy Trinity Hall but hold the Meeting twice a month (Different days)
- 2 Keep the venue at Holy Trinity but split the meeting into two sessions one early (13:00 to 3:00) and one late (3:15 to 4:45), same speaker and no tea or coffee.
3. Keep the same venue and meet once a month, but restrict the numbers attending (maybe by ticket only)
4. Arrange Monthly Meetings at two separate venues in different locations.
5. Bi-monthly meetings for members, same speaker twice. Half membership to odd months (Jan, March etc.) and the other half membership to even months (Feb, April etc.)

The Committee having been looking for some time now for a larger venue but have not been able to find one suitable in terms of size, facilities, location, parking or regular availability.

What do you all think? Please let us know by March 20th, this will be in time for the next Committee Meeting. Just tell a Committee Member or let your Group Leader know your views. Or you can email your comments to [u3anewark@outlook.com](mailto:u3anewark@outlook.com).

Regards
